[REDACTED]

Dear Committee,

I am resident at 29 Field Street. I have noted the so called 'revised drawings' on the planning portal. These do not address any of our concerns/objections as outlined in our document posted on the portal. Does this illustrate that the developer is not willing to consider valid concerns that affect all of the residents' daily lives living within the shadow of this building?

We await a considered response.

Kind regards,  
Mr Colin Melia - 29 field Street
