Subject: Tree pruning

To Camden Council

My wife and I own and live at 71 Patshull Road NW5 2LE and intend to take the following action on trees in our back garden.

Holly raise crown by 1 M, reduce height by 1M, cut back branches by 1M .

Quince reduce height by 1.5 M and thin out.

Buddleia cut back to previous pruning points .

Remove overhanging branches of lime tree.

We trust this will cause no problems.

Yours sincerely

David Goreham
