Subject: COMMENT: 2021/3508/A 9-11 Tottenham Street

Dear Tony,

The Charlotte Street CAAC has no objection to application 2021/3508/A for the shopfront advertisement changes at 9-11 Tottenham Street. The proposal improves the legibility of the original shopfront by removing the strange pipe etc at fascia level.

However we will point out for the applicant that the paint should extend to where the current white paint extends, as signifying the extent of the shopfront. The drawings show the green paint as coming short of the top and the far right. Marked up drawing attached. I'm sure a contracted painter would have done this automatically anyway.
