

The architectural floor plan illustrates the layout of Castle Mews Flats, a two-unit residential building. The plan is oriented with the entrance at the top, marked by a red dashed line. The building is situated on No.84 Harwood St, with an outbuilding to the left and another to the right. The central area is a large, open space, likely a courtyard or a large hall, featuring a large rectangular area with a pattern of small, stylized trees or plants. The top unit (Unit 1) includes a kitchen, a living area with a sofa and armchair, a bathroom, and a bedroom. The bottom unit (Unit 2) includes a kitchen, a living area with a sofa and armchair, a bathroom, and a bedroom. The plan also shows a central staircase and a large central hall. The surrounding context includes No.80 Harwood St to the right and an outbuilding to the left. The plan is a detailed architectural drawing showing room layouts, furniture, and structural elements.

Report all discrepancies to the Architect immediately.
This drawing is to be read in conjunction with all the related
Architect's and Structural Engineer's drawings, details and all
relevant information.
