Details of the pre-application advice received

Dear Veronica,

2021/2312/PRE – Studio House, Hampstead Hill Gardens.

Thank you for your e-mail with revised drawings. As per our telephone conversation just now;

•I think the proposal for the new entrance gate will be acceptable, as you have followed the advice we had previously discussed, with a modest new gateway which will appear subordinate to the main building and is suitably designed and scaled for the street scene.
•With regards to the revised internal mezzanine alteration to install the spiral staircase with metal balustrade and other adjustments; as discussed, given that the historic features shall be retained and protected, I anticipate this approach will be acceptable, I think this has responded to the concerns we had initially raised, but I will check with the Conservation Officer about this revision asap.
•Likewise with regards to the 2 x balcony windows with glazing bars, I think this is preferable to the initial proposal with no glazing bars, but will double check with my conservation colleague. The proposed glazing bars to the sides are preferred to the lack of these previously, but I will need to seek advice on proposed glazed roof coverings here.

I am aware the CO is preparing for an appeal hearing scheduled for tomorrow, but I will get back as soon as possible once I have had a chance to discuss with them.

Kind regards.
Matthew
