Planning Application No 2021/4252/A

I am writing this letter with regards to the Planning Application referenced above. I see that the applicant has proposed for no illumination advertising along the Wild Street elevation to ensure that the amenity of neighbouring residents of the Peabody Estate is protected. I would like to propose that this be extended to Kemble Street hoarding as Peabody residents also overlook directly onto Kemble Street and wish for their amenity to be protected.

Thank you very much for your consideration of our concerns. I/we are pleased the applicant is willing to work with the neighbourhood to ensure the safety and well-being of our community, and look forward to continued dialogue.
