

Architectural elevation drawing of a three-story building facade. The drawing shows a central section with a bay window on the ground floor and two windows on the first floor. To the left is a smaller section with a window. To the right is another section with a window. The roof is hipped with dormer windows. A red dashed line indicates a 45-degree angle from the centerline of a window. Dimensions 13'10" and 2'7" are shown. A legend on the right lists materials: dotted line glazed roof, new brick, new sash with black aluminium, new aluminium slimline glass black finish, new steps to garden, and existing garden.

Architectural section drawing of a proposed extension to a property at 14 Eldon Grove. The drawing shows a cross-section of the existing building and the new extension. The extension features a new brick facing wall, a new sedum green flat roof, and a new brick facing wall to the extension. A dotted line indicates the flat glass roof beyond the rear wall. The drawing is labeled "NEIGHBOURING PROPERTY 14 ELDON GROVE".
