

AS PROPOSED

- The contractor must verify all dimensions on site before any works are undertaken, discrepancies are to be reported to the project architect/designer for clarification.
- All works will be carried out in accordance with latest drawing issue & are to comply with the tenants fit out guidelines following landlords approval.
- HVAC, M&E layouts are indicative & must be verified with the relevant contractor before commencement of work.
- All works to be carried out in accordance with the fire strategy and fire cert application schedule produced by the landlord team issued at tender.
- The existing/proposed sprinkler system is to be assessed by contractor to ensure the system is in compliance with building regs part B.
- This drawing remains the property of Design Time & may not be reproduced in any way without prior consent.
