CRASH believes that to permit existing roof terraces to be developed into full-blown first floor extensions would set a precedent that will (a) open the door to extensive over-development throughout the area, (b) undermine the commitment in the Camden Planning Guidance - Amenity to protecting the privacy of occupiers of existing and proposed dwellings from being overlooked and (c) further degenerate the character of the South Hampstead Conservation Area.</p> <p>CRASH respectfully asks that you refuse this application.</p> <p>Yours faithfully</p> <p>Diarmuid O'Hegarty<br/>Committee Member<br/>The Combined Residents' Associations of South Hampstead</p> |
