Proposal: New infill single storey rear extension with green roof, new steps to rear garden, replacement of door and window with double-doors to rear closet wing; replacement of window with timber sash one at lower ground floor to front elevation; new bin storage to front garden; minor internal alterations to kitchen and bathroom.

No Objection: Yes

Comment: Yes

Observations: As there is no loss of historic fabric, with the existing rear extension at ground floor level already having lost its original rear window, we have no objection to these modest proposals which include the infilling of the basement light well.
