2021/3813/P	Jesse Dibb-Carroll	12/10/2021 20:52:17	COMMNT	I support this planning application. As a frequent visitor to Strathray Gardens, an already beautiful street, any house looking to improve its exterior gets my approval. The proposal aligns with the existing look of the building and the inclusion of solar panels is eco-friendly.
2021/3813/P	Matthew Dibb-Carroll	13/10/2021 10:31:35	SUPPRT	<p>I support this proposal.</p> <p>The use of modern windows, improvements to natural light, and the addition of solar panels will all improve the energy efficiency of this older building, and thus reduce the carbon footprint.</p> <p>The exterior alterations are sympathetic to the original design and are in "putting right" some of the alterations that have been made over the previous 50+ years (such as tidying up exterior pipework and restoration of the front door).</p>
