The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the

immediate area in accordance with the requirements of policy D1 and D2 of the London Borough of Camden Local Plan 2017 and policy D3 of the Kentish Town Neighbourhood Plan 2016.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans 684_A_DRW_00_000 P2, 001 P2, 002 P2, 684_A_DRW_01_001 P14, 002 P2, 010 P10, 011 P8, 012 P10, 013 P5 and 014 P11

Reason: For the avoidance of doubt and in the interest of proper planning.

- 4 No development shall take place until full details of landscaping, including a replacement tree have been submitted and approved in writing by the Local Planning Authority. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To ensure that the development achieves a high quality of landscaping which contributes to the visual amenity and character of the area in accordance with the requirements of policies A2, A3, and D1 of the London Borough of Camden Local Plan 2017

- 5 All hard and soft landscaping works shall be carried out in accordance with the approved landscape details by not later than the end of the planting season following completion of the development or any phase of the development. Any trees or areas of planting which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced as soon as is reasonably possible and, in any case, by not later than the end of the following planting season, with others of similar size and species, unless the local planning authority gives written consent to any variation.

Reason: To ensure that the landscaping is carried out within a reasonable period and to maintain a high quality of visual amenity in the scheme in accordance with the requirements of policies A2, A3, and D1 of the London Borough of Camden Local Plan 2017.
