Area of floor space of proposed development (in square metres)

F. REASON FOR THE APPEAL

The reason for the appeal is that the LPA has:

1. Refused planning permission for the development. ☒
2. Refused permission to vary or remove a condition(s). ☐
3. Refused prior approval of permitted development rights. ☐
4. Granted planning permission for the development subject to conditions to which you object. ☐

6. Granted approval of the matters reserved under an outline planning permission subject to conditions to which you object. ☐

8. Failed to give notice of its decision within the appropriate period (usually 8 weeks) on an application for permission or approval. ☐
9. Failed to give notice of its decision within the appropriate period because of a dispute over provision of local list documentation. ☐

G. CHOICE OF PROCEDURE

There are three different procedures that the appeal could follow. Please select one.

1. Written Representations ☐
2. Hearing ☐
3. Inquiry ☒

You must give detailed reasons below or in a separate document why you think an inquiry is necessary. The reasons are set out in

☒ the box below

The Appellant strongly considers a Public Inquiry to be the most appropriate procedure for the following reasons:

- The evidence submitted, particularly in relation to employment, design, townscape and daylight, would be best tested by expert evidence. The evidence relating to these matters is graphic or technical in nature and an Inspector would undoubtedly benefit from a verbal, descriptive and analytical account of a complex urban condition;
- The complexities of the Site, its context, the Proposed Development and the application of the relevant planning policy warrant a public inquiry and would allow the Inspector to seek clarification on planning matters, particularly the more technical aspects;
- The inspector will benefit from seeking cross-examination of the witnesses so that key elements of the evidence can be tested.

It is considered that an in-person public inquiry would be most appropriate in this instance, given the heavy reliance on detailed visual content which is best analysed and assessed in person.

Further information is provided in Section 8.0 of the Statement of Case.

(a) How many witnesses do you intend to call?

5

(b) How long do they need to give their evidence?

4 days.

(c) How long do you estimate the inquiry will last?

4 day(s)

(d) Is there any further information relevant to the inquiry which you need to tell us about?

Please see Section 8.0 of the Statement of Case.
