[REDACTED]

Dear Jaspreet Chana

This is written in order to log my complaint about the proposed 5G mast that is going to be mounted on spire of St Mary's With All Souls Church , Priory Road , South Hampstead , NW6 4SR.

The website for doing this is not accepting my objection.

The area is both a conservation area and is very close to children's nurseries and schools . Scientific evidence has shown that 5G masks are a health hazard, especially for children.

I strongly object to the planned mask .

Yours ,  
Ms C. Usiskin
