Dear Jaspreet Chana,

I wish to lodge my strong Objection to this Planning Application on many grounds, including the fact that it causes visual harm to a Grade II-listed building in a Conservation Area, is misleadingly titled, is internally inconsistent, and no adequate prior consultation with nearby schools and Councillors has been undertaken.

I urge you to please reject the current application.

Full details are in the attached letter, which I would ask you please to urgently upload as a PDF file to the planning website for this case.

Many thanks for your consideration.

Best regards,

Eric Peel
