Dear Nick,

We have another tree application for Old Wyldes (on the border between Barnet and Camden). As before, the Planning Portal won't let me submit the tree app to Camden so I am emailing you the details directly in the hope you can validate it.

Address: Old Wyldes, North End, NW3 7HS.

Spec: Fell one ash and one sycamore, self seeded trees. The trees have self seeded in the hedge and have now grown too big for the hedge. Their removal will allow the hedge to thrive. They are small and add no amenity value.

Agent: Forbes Treecare Ltd.
