| 2021/4142/P | Sonia Cohen | 19/10/2021 12:17:08 | OBJ | <p>As noted by other neighbours in their objections to this application, the proposal to raise the roof ridge line of no. 34 Meadowbank has previously been rejected.</p> <p>I am in agreement with our neighbours that this application should again be rejected because:</p> <ul style="list-style-type: none"> - The planned extension would be extremely bulky and would overshadow the communal gardens - Raising the roof line ruins the architectural integrity of the terrace, contrary to Camden's planning policies - The extension goes against previous planning decisions (ref: 2009/3691/P and 2008/4876/P) - Such extensive building work at no.34 poses a very real threat of structural damage to nos. 33 and 35 Meadowbank. <p>In addition, as an elderly retired person, I spend most of my time at home. The proposed building works will be hugely disruptive and will greatly affect my quality of life.</p> <p>I hope you will reject this application.</p> |
