AS PROPOSED

AS EXISTING

The contractor must verify all dimensions on site before any works are undertaken, discrepancies are to be reported to the project architect/designer for clarification.  
All works will be carried out in accordance with latest drawing issue & are to comply with the tenants fit out guidelines following landlords approval.  
HVAC, MBE layouts are indicative & must be verified with the relevant contractor before commencement of work.  
All works to be carried out in accordance with the fire strategy and fire cert application schedule produced by the landlord team issued at tender.  
The existing/proposed sprinkler system is to be assessed by contractor to ensure the system is in compliance with building regs part B.  
This drawing remains the property of Design Time & may not be reproduced in any way without prior consent.  
TO BE READ IN CONJUNCTION WITH DRAWING No. 11
