Dear Madam/Sir

Unless this tree is a danger what is the reason for the application?

Is the tree unhealthy, or causing damage or likely to cause damage?

If none of these reasons apply then why should this beautiful tree be destroyed on the whim of whoever happens to own the land it sits on now?

These trees are part of our community and should be preserved where possible for the benefit of the whole community.

For these reasons I would like to object to this application.

Kind regards

Rebecca Olinier
