You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

- 4 Reasons for granting permission.

The proposal seeks planning permission to erect a bin store at 51 Belsize Park Gardens. The new bin store would improve the accessibility and appearance of the property. The proposed bin store, in terms of the design, size, scale, location and materials, is considered to be appropriate and would respect the setting of the host and neighbouring properties and the streetscene. The

scheme is considered to preserve the character and appearance of the conservation area. In terms of detailed design the material proposed, horizontal timber slats, is deemed appropriate and sympathetic.

There are no amenity concerns in terms of loss of privacy, light or outlook given the minor nature of the proposal. No impacts would be had on any parking spaces, vehicle crossovers or existing trees.

No objections were received prior to the determination of this application. The planning history of the site and surrounding area were taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Area) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies A1, D1 and D2 of the Camden Local Plan 2017, the London Plan 2021, and the National Planning Policy Framework 2021.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
