

## **Verification Checklist of Information required for:**

## Project No. 2166 Project Name: Maresfield Gardens, Hampstead

Imported Fill Material

- Certification from supplier confirming compliance with the remediation strategy
- Volume imported, with supporting purchase records or other documentation
- Transportation documentation

## Waste Disposal

- Waste transfer tickets from transporter and receiving facility, example attached
- Volume disposed off-site

## Remedial works

- Photographs after excavation, with a measuring staff or other means of establishing scale
- Confirmation that no unforeseen visual or olfactory evidence of contamination was encountered during the works.

Please advise us as soon as possible when the site is ready for verification testing.
