Subject: Tree planning application comments for Dartmouth Park 25/10/21

Dear Planners and Tree Officers,

List 654

2021/4819/T. 24, St Alban's Road

No objection to the crown reduction of this elder tree.

2021/4836/T. 32 A, Laurier Road.

No objection to the crown reduction of the Norway Maple.

The silver birch is not a small sapling, but as tall as the Norway Maple, with a reasonably dense crown. However you may decide that it will compete with the growth of the nearby pollarded limes.

2021/4851/T. 13A, Dartmouth Park Road

I do not object to the felling of this very large Ceanothus as I think it has Fire Blight as evidenced by the red fungus visible in the tree. Also the owner was told that it was dying.

Thank you,

Eileen Willmott
