

## District Network Operator

Letter of Authority

To whom it may concern,

I hereby confirm that we are the legal and registered owner of the property listed below, as outlined red within the image.

We would like to confirm that we have appointed Green Energy Together Limited to develop a (PV Solar and/or Storage) system on our property and hereby grant permission for them or any consultant that they may authorise to seek and apply for a grid connection on our land for the purpose of connecting a (PV Solar and/or Storage) storage system project to the local electricity distribution network.
