Dear Sirs

PLANNING REF 2021/4142/P - 34 MEADOWBANK

We are the managing agents for Park View (Primrose Hill) Management the company that controls the Meadowbank Estate, which 34 Meadowbank forms part of and apologise for the delay in placing an objection to the roof extension to the above property on behalf of Park View (Primrose Hill) Management.

We object to the height of the extension as it will take light away from the communal garden to the rear and the communal garden to the front of the property.

We hope you are still able to receive and accept this objection to the works on behalf of our client.

Yours sincerely,

Esskay Management Services
