*To whom it may concern:*

Dear Sir/Madam,

following the advice of the respective planning officers, the applications 2021/0433/P (registered on the 1<sup>st</sup> of March 2021) and 2021/0698/P (registered on the 19<sup>th</sup> of April 2021) have been withdrawn and “replaced” with a new joint application between the owners of 9a Agamemnon Road and 7a Agamemnon Road.

The two original applications had been filed separately and have already gone through their respective consultation period. Camden Planning confirmed that they have no comments on the proposed design and have already validated in principle the drawings hereby submitted. However, to grant approval, they have requested to re-submit both applications as unique joint application supported by a S106 Planning Obligations agreement.

As owners of 9a Agamemnon Road (Giacomo Carloni and Monika Tyborowska) and 7a Agamemnon Road (Tony Madigan), we understand such requirement and willing to comply with the advice received. As a matter of fact, we are already in contact with the Council Legal department, and we are waiting for the relevant S106 agreement to be processed. As suggested by Camden Planning, submitting this joint application in advance will benefit the creation of such documents.

Regards,

  
Giacomo Carloni
