6. Description of the Proposal

Please note in regard to:

- Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

The application is for the addition of a new Air Handling Unit on the Royal Free Hospital 12th floor roof to serve the East Wing of this floor, as part of the upgrade and refurbishment of the floor as the current situation is not complying with the current HTM and HBN standards and insufficient for the proposed purpose.  
The new AHU is required to provide the opportunity for upgrading the ward to an HBN/HTM compatible standard from the ventilation and air pressure point of view to create Isolation rooms with lobbies.

Has the work or change of use already started? ☐ Yes ☒ No
