Date (Must be pre-application submission)

07/10/2021

Details of the pre-application advice received

The pre-consultation request to the LPA was logged under 2021/4918/NEW on 7th October 2021. It was advised that the fee for pre-application advice would be £1,050.00. Given that the proposed development relates to a replacement telecommunications site, a new site must be identified and progressed at the earliest possible opportunity to ensure that there is no coverage hole created in the local area. As such, it was considered appropriate, in this instance, to move directly to planning stage and submit a formal application.
