Dear Ms Power,

Blue Plaque: Oliver Heaviside (1850-1925)

Thank you for your letter of 27th November 2019 and apologies for the delay in my response.

I hereby give consent as Director of the freehold company for 123 Camden Street Ltd for English Heritage to begin the next stage of the documentation towards a blue plaque on my home to commemorate Oliver Heaviside.

My daughter Rachel Corrigan has discussed this proposal with the owner, Mr Raja Chowdhury, of Flat A who agrees to the plaque being erected in between the two long and tall Georgian windows of my property Flat B.

Yours sincerely

Bridget Corrigan
