Statement dated 02 Feb 2021

The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

Reason(s) for Refusal

- 1 The proposed gate, by reason of its design, siting, size and prominence, would be detrimental to the setting and architectural integrity of the adjacent listed buildings and would cause harm to the character and appearance of Gray's Inn Square and this part of the Bloomsbury Conservation Area contrary to policies D1 (Design) and D2 (Heritage) of the London Borough of Camden Local Plan 2017.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
