Planning submission cover letter

Dear Planning Department,

Please find attached the planning submission for the Swiss Cottage Library refurbishment that includes external changes to rooftop plant, the recovering of the flat roof with an insulated bitumen felt system, the replacement of windows on the first and second floor, minor internal changes to replace existing insulation and relamping fluorescent bulbs with LED equivalents.

Please note the following:

1. A separate heritage application for listed building consent was submitted on the 5th October - Application Ref PP-10274913v1.
2. The acoustic report has been commissioned and will be forwarded upon receipt.

Many thanks,
