2021/4234/P	The Heath & Hampstead Society	20/10/2021 11:41:47	OBJ	<p>OBJECTION</p> <p>From: THE HEATH & HAMPSTEAD SOCIETY</p> <p>1.The adjacent buildings and levels of front and back gardens are not adequately shown in the drawings. There is no cross-section to show the spatial relationship between the proposed extension and the house very close to it.</p> <p>2.It is surprising to see a window in the boundary wall.</p> <p>3.Furthermore we particularly object to the very plain modern windows on the front ground floor elevation and on the garden elevation - not appropriate for a fine well preserved house which contributes significantly to the Conservation Area.</p> <p>4.We object to the proposed large balcony at the rear , the use of which is very likely to cause loss of privacy and noise disturbance to the local gardens.</p> <p>Please refuse.</p>
