2021/4679/L	J Cox	16/10/2021 14:09:16	INT	One would expect on this site to be able to see the full application, but trying to click on the hyper link - View drawings, comments and other documents for this application - it says there are no public documents available. So one cannot see the application at all. This cannot be right or consistent with the public right to see and comment on applications
