2021/5225/T	Judy Geller	27/10/2021 20:14:40	COMMNT	<p>These trees should not be allowed to be felled unless absolutely necessary and then replaced by other ones. Camden Council has a responsibility for stewarding the environment and mitigating the impact of climate change and should note that they are in important part of the character of the conservation area</p> <p>Trees have an important part in the well-being and health of the people in the surrounding areas including those who walk there.</p> <p>Also removal of the trees could cause heave or landslip.</p>
