| 2021/5296/P | Broian Lake | 30/10/2021 13:57:00 | OBJNOT | <p>I own 46 Great Russell Street, opposite to the British Museum and object to this application unless clear conditions are applied.</p> <p>I see that this is for 'temporary' external ducting.</p> <p>Camden should allow only a restricted period for this commensurate with the works for which this 'temporary' permission is being sought - assuming that is the case.</p> <p>We - and everyone else - have to look at the tent erected by the BM under 'temporary' permission which appears to have become a non-temporary scar on the face off a grade-I listed building.</p> <p>Unless Camden gives clear time limits to 'temporary' planning permissions, the BM will not put any efforts into getting on with their works (or in the case of the tent, finding a long-term solution to searching/checking visitors) as the BM knows Camden will continue to renew permissions.</p> <p>I look forward to to your reassurances.</p> <p>Brian Lake</p> <p>46 Great Russell Street, WC1B 3PA</p> |
