Dear Nora,

If the details/materials are to be secured by a separate approval of details, then we have no further objection.

Thank you,
Owen

Dear Owen,
Hope you are well.

Thank you for your email.

I have requested the applicant to retain the pavement lights as existing to the side of the existing lightwell, and this has been revised as per the latest drawings now online.

Their Daylight and Sunlight assessment did not consider in the calculations the walk-on glass, and therefore the proposal is found to provide adequate levels of daylight/sunlight.

The French doors, windows and railings, will be secured by condition.

Could you please let me know if you would still wish to object to the proposal, in light of the latest information?

A swift response by 9th of November - Tuesday morning next week would be much appreciated.

Best Regards,
Nora
