2021/4305/P	Monica Black	09/11/2021 10:44:54	COMMNT	I think the proposal for a Wine Bar in England¿s Lane is wonderful and an added addition of this lovely corner of NW3
				In the Belsize area we have no local wine bars, only restaurants and 2 pubs - the Washington and George.
				I would welcome the proposal wholeheartedly.
				As a single women I don¿t feel comfortable to go alone to either of the above mentioned pubs and never do (or any pub for that matter) but would feel very safe and comfortable in a small friendly cosy local wine bar offering lite nibbles.
				I think it would be a great place and meeting point for getting together with friends after work.
				It¿s also very near the Tube Station, 168 and C11 bus stops.
				On a personal note I know I¿d frequent it often and an added bonus is I can walk there in safety too.
				I look forward to it¿s arrival.
