2021/4815/P	Martin Baker	09/11/2021 10:13:29	OBJ	<p>I object to this application because:-</p> <ul style="list-style-type: none"><li>¿ I live on Miller Street and the proposed extract would add to the ambient noise.</li><li>¿ The proposed cooking will add unwelcome odours.</li><li>¿ It would remove one retail space from the High Street.</li><li>¿ The last thing we need is another burger joint. They attract late night customers who create noise and nuisance.</li><li>¿ Another takeaway will further increase delivery scooter traffic which is already a serious nuisance on Miller Street.</li><li>¿ The Design Statement makes multiple references to healthy non-meat fare. That is good to hear but a Grant of Change of Use won't control the menu. The next tenant might well be another fried chicken outlet.</li><li>¿ I note multiple previous applications for change of use to restaurant have been refused. I urge the council to refuse this one.</li></ul>
