Will any trees or hedges need to be removed or pruned in order to carry out your proposal? ☒ Yes ☐ No

If Yes, please show on your plans, indicating the scale, which trees by giving them numbers (e.g. T1, T2 etc) and state the reference number of any plans or drawings:

The heat pumps are located near to a pleached screen of hornbeams and a hawthorn tree, noted as tree number C2 in the tree report submitted with the original planning application. This report noted that tree C2 was not thriving and should be monitored. Unfortunately the tree has continued to decline and therefore this application includes a proposal for its removal and replacement with another suitable British native tree to offer a similar level of biodiversity. To protect the hornbeam root area the proposal is to use ground anchors and mount the units on a steel frame above ground, both to minimise damage and allow the roots to have a continuing exchange of oxygen.

Details of the pre-application advice received

In principle it doesn't sound like something we would likely support and you've not provided any drawings or sizes. If you still wish to apply for this you would need a fresh application, so a householder + LB consent and the fee for plant is £462. You need a noise report (policy A4 for more info) and a cooling hierarchy statement showing the need for this unit (if it is to provide cooling as well as heating), see policies CC1 and CC2 of the Local Plan and CPG Energy efficiency and adaption in regards to climate change.

18. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

19. Ownership Certificates and Agricultural Land Declaration

Certificate Of Ownership - Certificate A Certificate under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 & Regulation 6 of the Planning (Listed Buildings and Conservation Areas) Regulations 1990

*** 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.**

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
