2021/4447/P	Mr Richard J Levy	10/11/2021 18:19:47	SUPPRT	<p>My wife and I are owners of 27 Rudall Crescent, immediate neighbours of the site of this planning application, 29 Rudall Crescent. The applicant, Ariel Levy, has discussed the proposals with us and as a result has submitted some amendments to the original application, including correcting the boundary line between 27 and 29 Rudall Crescent as shown on the application.</p> <p>The existing property at 29 Rudall Crescent is a quite different design from the adjacent properties. The changes to its front elevation and the replacement of its unsightly window frames will improve the appearance of the house from the street, as will the proposed new timber cladding, new gate and hedge. Raising the roof by 450mm and adding a dormer at the back of the property, as is proposed, will not be detrimental. Overall the proposed appearance of the property will be harmonious with its surroundings.</p> <p>We support the application and have no objection to any aspect of it.</p>
