2021/4356P	██████████	05/11/2021 14:48:16	SUPPRT	I live nearby and pass this property most days. I think the architect has designed a really nice scheme and it is an improvement to the current situation both internally and externally. I fully support this application and look forward to seeing it come forward. Please redact my name and address from any message.
