Hi all, thanks for your comments.

Can you please let me know by 11am tomorrow what CAAC agrees in relation to further objecting to this proposal or not? - I need to meet an internal deadline at that point for preparing the report for Members Briefing.

Nora

Hi Nick

They have complied with our objections by removing the dormer and on the ground floor by rearrangements to remove the glazed roof corridor. I think this is a good outcome and we should have no further objections.
