2021/3839/P	Michelle Newman	11/11/2021 19:49:49	APP	I Object to the plans strongly. By adding to this existing beautiful historic building they will not only be fir uptown ti the existing residents but they will damage the aesthetic of the building. I live almost opposite and the disruption, noise to local residents would be bad. Creating more homes in an already heavy residential space with an already crowded parking zone doesn;t make sense also. This is unnecessary build not supported by the local residents which will be so affected but the high rise nature of the proposal.
