2021/4356/P	Erich Wagner	11/11/2021 10:15:12	OBJ	Further to my comment made a moment ago. I can clarify my objection by stating that the application is missing a daylight, sunlight and overshadowing assessment to verify the extent of consideration to the neighbouring property.
2021/4356/P	Erich Wagner	11/11/2021 10:04:35	OBJ	I think the application gives inadequate consideration to the loss of light from the proposed outrigger extension to the neighbouring property at 3 Sarre Road. A fuller study and simulation or modelling of lighting at various sun angles throughout the year should be included to demonstrate the design acceptability.
