Hi Adam

Thanks for the email.

The applicants are happy to omit the planters.

No lighting or signage is proposed, but happy that this could be dealt with under a separate submission if needed.

Attached is a plan showing the gate in more detail at a scale of 1:5. We trust this provides the additional information required to cover the queries in your email below, but should you require any further information please let us know.

Many thanks in advance.

Kind regards

Ben
