

<b>Application No:</b>	<b>Consultees Name:</b>	<b>Received:</b>	<b>Comment:</b>	<b>Response:</b>
2021/4125/P	Tim Herbert-Smith	14/11/2021 15:18:29	COMMNT	<p>These comments are made on behalf of CRASH , the combined residents association of South Hampstead. The external works to the front are considered to be an improvement &amp; are welcomed, especially the removal of the asphalt &amp; replacement of the front wall with new planting behind. The application refers to replacing the asphalt surface with natural stone, but no detail is provided. Given the problems of surface water run off in storms which have caused flooding locally, the opportunity should be taken to lay a naturally draining material on the driveway or lay sets with adequate gaps to ensure good drainage.</p>
