Similarly there is already a pub at the end of the road and people are very respectful of it being a largely residential area. I think a pleasant wine bar would be a nice addition to the shops and cafes already there.
2021/4305/P	Sam Joseph	14/11/2021 11:48:57	COMMNT	I think that this is a wonderful idea. Lovely to have more evening venues on this little high street. The importance to support local shops and trades in these areas should be a top priority. A wine bar and wine shop fits in with the area perfectly. There have been wine shops here before and I miss them greatly, wine from Tesco is not the same! Also all these comments of alcoholics roaming the streets, and rowdy groups of people leaving the wine bar at night is ridiculous. I don't think the patrons of a wine bar are known for being unruly drunks akin to nightclub goers and football fans leaving a pub at night!
