Please add the title number(s) for the existing building(s) on the site. If the site has no title numbers, please enter "Unregistered Title Number Unknown

Energy Performance Certificate

Do any of the buildings on the application site have an Energy Performance Certificate (EPC)?

Public/Private Ownership

🔍 Yes 🛛 💿 No

5. Site Information

What is the current ownership status of the site?

6. Description of the Proposal

Please note in regard to:

• Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.

• Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

• Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use.

Full planning application for the dual/alternative use of the ground and basement floors at 36-38 West Street for either continued use as a public house, wine bar, or drinking establishments (sui-generis); as a drinking establishment with expanded food provision (sui-generis) or as a restaurant (Class E(b))

Has the work or change of use already started?

🔍 Yes 🛛 💿 No

7. Further information about the Proposed Development				
Are the proposals eligible for the 'Fast Track Route' based on the affordable housing threshold and other criteria?	Q Yes	No		
Do the proposals cover the whole existing building(s)?	Yes	◯ No		
Current lead Registered Social Landlord (RSL)				
If the proposal includes affordable housing, has a Registered Social Landlord been confirmed? If the proposal does not include affordable housing, select 'No'.	Q Yes	No		

Details of building(s)

Please add details for each new separate building(s) being proposed (all fields must be completed). Please only include existing building(s) if they are increasing in height as part of the proposal.

Building reference	Unknown
Maximum height (Metres)	0
Number of storeys	0

Loss of garden land

will the proposal result in the loss of any residential garden land?		Yes	No
Projected cost of works			
Please provide the estimated total cost of the proposal	Up to £2m		

8. Vacant Building Credit

Does the proposed development qualify for the vacant building credit?

9. Superseded consents

Does this proposal supersede any existing consent(s)?

🔍 Yes 🛛 💿 No

🔾 Yes 🛛 💿 No

10. Development Dates

Please add the expected commencement and completion dates for all phases of the proposed development. If the entire development is to be completed in a single phase, state in the 'Phase Detail' that it covers the 'Entire Development'.

10. Development Dates

Phase Detail	Commencement Month	Commencement Year	Completion Month	Completion Year
Unknown	December	2021	December	2021

11. Scheme and Developer Information Scheme Name		
Does the scheme have a name?	Q Yes	No
Developer Information		
Has a lead developer been assigned?	Q Yes	No

12. Existing Use

Is the site currently vacant?

Please describe the current use of the site

The Site (36-38 West Street) is located on the northern side of West Street and is immediately adjacent to 142 Shaftesbury Avenue (currently occupied by BrewDog). The site comprises a building with basement, ground plus three upper floors. At basement and ground floor level, the building has been 'knocked through' to form part of the existing public house use at 142 Shaftesbury Avenue and provide additional floorspace to improve the function and layout of the pub. The first, second and third floors of the property comprise of residential use.

bees the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated	Q Yes	No
Land where contamination is suspected for all or part of the site	Q Yes	🖲 No
A proposed use that would be particularly vulnerable to the presence of contamination	Q Yes	🖲 No

13. Existing and Proposed Uses

Please add details of the Gross Internal Area (GIA) for all current uses and how this will change based on the proposed development. Details of the floor area for any proposed new uses should also be added.

Following changes to Use Classes on 1 September 2020: The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these, select 'Other' and specify the use where prompted. View further information on Use Classes. Multiple 'Other' options can be added to cover each individual use. If the 'Other' option is not displayed, please contact our service desk to resolve this.

Use Class	Existing gross internal floor area (square metres)	Gross internal floor area lost (including by change of use) (square metres)	Gross internal floor area gained (including change of use) (square metres)
SG - Sui Generis	115	115	0
OTHER Class E	0	0	115
Total	115	115	115

14. Materials

Does the proposed development require any materials to be used externally?

🔾 Yes 🛛 🖲 No

15. Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicular access proposed to or from the public highway?

🔾 Yes 🛛 💿 No

	required, this and the accompanying plan should be submitted alongside your application. Your local planning at website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, dem Recommendations'. 19. Assessment of Flood Risk Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.) If Yes, you will need to submit a Flood Risk Assessment to consider the risk to the proposed site. Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? Will the proposal increase the flood risk elsewhere? How will surface water be disposed of? Sustainable drainage system Existing water course Soakaway	uthority s olition a • Yes • Yes	 should make clear on its nd construction - No No

20. Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species:

20. Biodiversity and Geological Con	servation			
 Yes, on the development site Yes, on land adjacent to or near the proposed No 	d development			
 b) Designated sites, important habitats or other Yes, on the development site Yes, on land adjacent to or near the proposed 				
No				
c) Features of geological conservation important	ce:			
 Yes, on the development site Yes, on land adjacent to or near the proposed No 	d development			
21. Open and Protected Space				
Will the proposed development result in the loss	, gain or change of use of any open space?	Q Yes	No	
Will the proposed development result in the loss	, gain or change of use of a site protected with a nature designation?	Q Yes	No	
22. Foul Sewage				
Please state how foul sewage is to be disposed	of:			
Septic Tank				
Package Treatment plant				
Cess Pit				
Unknown				
Are you proposing to connect to the existing dra	inage system?	Q Yes	Q No	Onknown
23. Water Management				
Please state the expected percentage reduction of surface water discharge (for a 1 in 100-year rainfall event) from the proposal	0			
Are Green Sustainable Drainage Systems (SuD	S) incorporated into the drainage design for the proposal?	Q Yes	No	
Please state the expected internal residential water usage of the proposal (litres per person per day)	0.00			
Does the proposal include the harvesting of rain	fall?	Q Yes	No	
Does the proposal include re-use of grey water?		Q Yes	No	
24. Trade Effluent				
Does the proposal involve the need to dispose of trade effluents or trade waste?				
25. Residential Units				

Does this proposal involve the loss or replacement of any self-contained residential units or student accommodation (including those being rebuilt)?	Q Yes	No

26. Non-Permanent Dwellings

Please add details of any non-permanent dwellings (if used as main residence e.g. caravans, mobile homes, converted railway carriages, etc...), traveller pitches/plots or houseboat moorings that this proposal seeks to add or remove

27. Other Residential Accommodation			
Please add details of any non self-contained accommodation, based on the categories in the drop down menu, that this proposal seeks to add, remove or rebuild.			
Provision for older people			
	of the types listed below, to be specifically provided for older people		
Older persons care home accommodation - Residential care homes (Use Class C2)	0		
Older persons supported and specialised accommodation - Hostel (Sui Generis Use)	0		
28. Waste and recycling provision			
	I non-residential) have dedicated internal and external storage space for	Yes	Q No
29. Utilities			
Water and gas connections			
Number of new water connections required	0		
Number of new gas connections required	0		
Fire safety			
Is a fire suppression system proposed?		Q Yes	No
Internet connections			
Number of residential units to be served by full fibre internet connections	0		
Number of non-residential units to be served by full fibre internet connections	0		
Mobile networks			
Has consultation with mobile network operators	been carried out?	Q Yes	No
30. Environmental Impacts			
Community energy			
Will the proposal provide any on-site community	y-owned energy generation?	Yes	No
Heat pumps			
Will the proposal provide any heat pumps?		Q Yes	No
Solar energy			
Does the proposal include solar energy of any k	kind?	Q Yes	No
Passive cooling units			
Number of proposed residential units with passive cooling	0		
Emissions			
NOx total annual emissions (Kilograms)	0.00		
Particulate matter (PM) total annual emissions (Kilograms)	0.00		

30. Environmental Impacts Greenhouse gas emission reductions		
Are the on-site Greenhouse gas emission reductions at least 35% above those set out in Part L 2013?	of Building Regulations Ores No	
Green Roof		
Proposed area of 'Green Roof' to be added (0.00) (Square metres)		
Urban Greening Factor		
Please enter the Urban Greening Factor score 0.00		
Residential units with electrical heating		
Number of proposed residential units with electrical heating		
Reused/Recycled materials		
Percentage of demolition/construction material 0 to be reused/recycled		
31. Employment		
Are there any existing employees on the site or will the proposed development increase or decre employees?	ease the number of O Yes O No	
32. Hours of Opening		
Are Hours of Opening relevant to this proposal?	◯ Yes ● No	
33. Industrial or Commercial Processes and Machinery		
Does this proposal involve the carrying out of industrial or commercial activities and processes?	◯ Yes ● No	
Is the proposal for a waste management development?	🔍 Yes 💿 No	
If this is a landfill application you will need to provide further information before your appl should make it clear what information it requires on its website	lication can be determined. Your waste planni	ng authority
34. Hazardous Substances		
Does the proposal involve the use or storage of any hazardous substances?	Q Yes 💿 No	
35. Site Visit Can the site be seen from a public road, public footpath, bridleway or other public land?	⊛ Yes ⊂ No	
If the planning authority needs to make an appointment to carry out a site visit, whom should the The agent The applicant Other person	ey contact?	
36. Pre-application Advice Has assistance or prior advice been sought from the local authority about this application?	◯ Yes ● No	
	2163 21NU	
37. Authority Employee/Member With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member		
(c) related to a member of staff		

37. Authority Employee/Member

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

🔾 Yes 🛛 💿 No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

VOID - See certificate B

39. Declaration

I/we hereby apply for planning permission/consent as described in this form and the accompanying plans/drawings and additional information. I/we confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

Date (cannot be preapplication) 09/11/2021
