Dear Patrick Marfleet,

I'm the current leaseholder [REDACTED]

I've recently been made aware of the building planning **2021/3245/P** and was not able to respond sooner given I was out of the country during the COVID situation.

The planning application is for the erection of a single roof extension (on 5th floor) on 86-89 Cleveland, Cleveland Street London W1T 6NH.

Overall the project would cause the loss of light into my property. In addition, the planned south-facing side of the extension includes two windows that give directly into my the entirety of my balcony, living room, and bedroom below - invading my privacy.

I would like to comment my opposition to the building planning of 2021/3245/P.

Are there any additional steps to take?

Kind regards,
Alban Doliveux
