Subject: Tree pruning at 35 Savernake Rd NW3 2JU

Hi Rav

Photo attached as requested. Pruning will be back to previous points. We probably won't have it pruned now until spring but wanted to ensure that we had appropriate permissions when we come to do it.

I have an acer in my front garden at the above address which needs pruning. I applied via the Camden web site a couple of months ago for the required permissions but have heard nothing. Can someone please look into this so that I can proceed with the work.

Many thanks

Doug Crawford
