2021/4294/P	GTRA	25/11/2021 07:39:32	OBJ	We represent over 1000 residents of the Gamages estate some of who live in Greville street. We would like to oppose this planning application on the grounds of the inconvenience that it will yet again cause our residents. Over the past two years we have been inundated by works in this area causing loud noise, road closures, dust adding to the pollution and general nuisance. We feel that works in this area should be cut back for a period of time to give residents a rest bite from all these types of major works.
